Tutoring Experience

I have worked with students preparing for the IB English curriculum, helping them excel in both Language and Literature. Over the past 4 years, I've guided my students through HL and SL courses, ensuring they gain a deep understanding of literary texts and how to approach exams confidently. Many of my students have achieved top grades, further advancing to prestigious universities.

In addition to IB, I have tutored IGCSE and A-Level students in English, focusing on building strong analytical and essay-writing skills. I've also supported students in preparing for the SAT Reading and Writing sections, helping them boost their scores by mastering comprehension and grammar techniques.

I've had the pleasure of working with students from diverse backgrounds, tailoring my teaching to suit their individual needs and learning styles. My tutoring sessions are focused, goal-oriented, and designed to ensure academic improvement and success.
