Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

With over 13 years of experience, I've taught Physics across IB, A-Level, and IGCSE curriculums. My students come from diverse academic backgrounds, and I focus on helping them understand complex topics in Physics, from mechanics to electromagnetism. I take pride in seeing students consistently improve their performance and exam results.

I have also taught AP Physics, preparing students for the rigorous challenges of college-level physics. My experience allows me to simplify intricate concepts and tailor lessons to the needs of each student, ensuring their success at every academic level.
